Description: The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was Thomas Jefferson's effort to extract what he considered the pertinent doctrine of Jesus by removing sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. Using...

Review: I had always heard about the Jefferson Bible. When it became available in an ebook, it was the time for me to read it. It's interesting. When you consider that Jefferson's original book was a cut and glue book, it is amazing that we can see what he did. Jefferson was a true genius and ahead of his time in many ways. I'm so glad this treasure survived...
